Table 1: Your first table.

Value 1	Value 2	Value 3
	START	20
06-1	Some Stuff	10
03-2	This happened	32
10-3	Other thing	75
END		100

This is a example PDF to test the program parsing, processing and output of the data. Since I do not want to put personal data on the public project. I decided to make this PDF to use in the CI test.
